

## DEXÖ Universal Synthetic ATF

### Product Description

DEXÖ Universal Synthetic ATF is an advanced full synthetic automatic transmission fluid engineered to meet the demanding needs of modern transmissions. Designed as a versatile, universal fluid, it ensures optimal performance, smooth shifting, and superior wear protection across a broad range of OEM applications.

### Performance Benefits

- Universal Application: Consolidates inventories and reduces inventory investment.
- Excellent Oxidation Stability: Provides long-lasting high-temperature protection, minimizing sludge formation and wear.
- High Shear Stability: Maintains friction characteristics over extended service intervals and a wide temperature range.
- Reduced Foaming: Enhances smooth operation and prevents fluid degradation.
- Improved Pitting Protection: Offers increased durability for transmission components.

### Application

DEXÖ Universal Synthetic ATF is ideal for use in:

- Passenger cars, SUVs, and light trucks.
- Power steering systems and hydraulic units where ATF is specified.
- Compatible with both high and low viscosity applications, ensuring reliability across a wide range of vehicle types.
- Not recommended for use in CVTs, DCTs, Ford Type F applications, or extended drain heavy-duty applications

### Typical Properties

Property	Test Method	Value
Kinematic Viscosity @ 40°C	ASTM D-445	29.1 cSt
Kinematic Viscosity @ 100°C	ASTM D-445	5.9 cSt
Viscosity Index	ASTM D-2270	153
Brookfield Viscosity @ -40°C	ASTM D-2893	10,000 cP
Appearance	Visual	Red

### Meets and Exceeds

#### Approvals :

- GM DEXRON®-VI, DEXRON®-III/III(H)/IIE/II
- Ford MERCON® LV
- Hyundai/KIA SP-II, SP-III, SP-IV
- Toyota WS, T-III, T-IV
- Honda ATF-Z1, DW-1
- Nissan MATIC-D/J/K/S
- Mercedes-Benz 236.1-236.9
- many more
- **Meets :**
- Allison C-4
- ZF 5HP18FL, 5HP24, 8HP, 9HP
- JASO M315-2013 1A-LV
- BMW LA2634, LT71141
- many more

### Storage and Handling

- Store in a cool, dry place away from direct sunlight.
- Avoid contamination with other fluids.
- Follow proper disposal protocols for used fluid.

### Health and Safety

Refer to the Material Safety Data Sheet (MSDS) for detailed health and safety information. Handle used fluid responsibly to protect the environment.
